

**Logistics Manager - Balfour Beatty Highways - NEAR Scheme - Around M25, London/Home Counties**

[Apply Now](#)

Company: Balfour Beatty

Location: United Kingdom

Category: other-general

## About the role

Balfour Beatty Highways maintain, manage and operate major highway networks across the UK and support local authorities creating communities where people want to live work and play.

We provide high quality asset strategy, management and planning consultancy services to a wide range of public and private sector customers. We provide specialist, reliable, sustainable and creative advice for asset management planning and implementation in the UK. We put our customers first and prioritise completing schemes safely, efficiently and to a high standard.

Balfour Beatty are currently looking for a **Logistics Manager - Balfour Beatty Highways - NEAR Scheme - Around M25, London/Home Counties** to join our Highways team based at **various locations around the M25 for our NEAR (National Emergency Area Retrofit Programme) scheme.**

## What you'll be doing

As a **Logistics Manager - Balfour Beatty Highways - NEAR Scheme - Around M25, London/Home Counties**, you will provide daily coordination of the logistic resource streams on various projects related to the NEAR scheme for our Balfour Beatty Highways business unit around the M25.

Responsible for formulating, leading, motivating, and managing the logistics team; the team includes resource controllers, store personnel and security.

Responsible for coaching direct reports and mentoring inexperienced staff.

Responsible for developing and implementing the Project Construction Logistics and Security Strategy (CLSS); and updating when required.

Ensure HSE targets and standards are maintained

Oversee all movements of resources to and from site efficiently and ensuring associated records are kept and managed appropriately and in a digital manner.

## **Who we're looking for**

### **Essential**

Either degree level qualification in Supply and Logistics or extensive experience or knowledge of industry and activity from the shop floor level upwards relating to logistics and supply or Construction Logistics

Supply Chain Management experience management of customers and suppliers

Risk and Opportunity management experiencing, including the implementation of change programmes

Ability to communicate effectively to ensure customer relationships are managed, in addition to planning and organisation skills to deliver operational excellence and efficiency

Effective leadership skills, including experience of leading teams and confidence in the ability to lead, influence, negotiate and communicate with others to deliver targets are required

### **Why work for us**

Day in, day out, our teams deliver amazing projects in challenging conditions; developing, managing and maintaining the vital infrastructure and public spaces that modern economies, societies and communities rely on.

Still interested? then come and become colleagues with 26,000 staff and join a business which recorded 8.6bn in revenues last year, achieved industry leading customer satisfaction scores and has unrivalled employee engagement statistics.

An excellent range of benefits awaits the successful candidate: -

An attractive / negotiated salary
