M&E Engineer

Havant, Hampshire & Berkshire

£39,000

Are you an Electrical focused Engineer looking to receive further commercial training, work upon local contracts and receive first year earnings well over £44,000?

Our client has well over 500 property assets across the UK and Ireland and is part of the FTSE top 100 Index. As well as being a hugely successful company they are renowned for developing and progressing the careers of their Engineers, this is achieved through offering varying electrical and mechanical qualifications. As well as this their benefits packages offer excellent work life balance due to their 34 days holiday, flexible working hours, healthcare and gym membership schemes.

You will be responsible for maintaining, installing and testing various electrical plant such as Emergency Lighting, Fire Alarm/Detection Systems, AHUs and various other mechanical plant within a large commercial warehouse within Havant. As well as providing support as part of an on-call rota within various other commercial spaces across Hampshire, Berkshire and surrounding areas.

* £39,000

- * Frequent & Optional Overtime
- * 1 In 6 Call Out
- * Specialist & Hand Tools Provided
- * Additional Training Offered
- * 34 Days Holiday (10 Additional Days Available To Purchase)
- * Company Benefits Package: Discounted Healthcare, Gym Memberships

Search is an equal opportunities recruiter and we welcome applications from all suitably skilled or qualified applicants, regardless of their race, sex, disability, religion/beliefs, sexual orientation or age.
