

## MAG Welder

[Apply Now](#)

Company: Boccard

Location: Broughton

Category: production

Based at Fab shop in Broughton, days, £20 per hour + uncapped bonusAs we continue our journey of growth and expansion to serve the new era of nuclear energy, Boccard, as a leading specialist in engineering, manufacturing, construction and maintenance in the nuclear energy industry, we are looking for talented Welders to join us here at Boccard.Reporting to the Fabrication Manager, our Welder positions are based at our fully digitalised manufacturing site at Broughton, near Chester. The role will perform welds at each stage of manufacturing and construction and will weld carbon steel supports to carbon and stainless steel clamps to exacting standards ready for installation at Hinkley Point Nuclear Power Station.We are looking for qualified, coded Welders highly competent in MIG and ideally TIG (6G) welding who have gained experience working in a highly regulated industry.The role is best suited to applicants who are computer literate, have good communication skills and enjoy working as part of a diverse team. Organised with the ability to prioritise workload, and looking to work in a fast paced, exciting, growing business.Our Welders are part of a diverse, busy, friendly team made up of welders, fabricators and operators performing work to the highest quality standards. All work is quality inspected, both visually and NDT. It is important applicants have a quality mindset with high personal standards, in respect of both the quality of their work and quantity of throughput.Working in a newly set up manufacturing facility, which is fully digitalised, the environment is clean, efficient with the overriding focus on safe working practices. Hours of work are 07:30 to 15:30 Mon to Thurs and 07:30 to 12:30 Friday.Applicants must be eligible to work in the UK. As part of our employment screening process, all applicants will need to

complete BPSS screening, have a safety passport (eg. CITB / CSCS). All of our Welder employees are coded, new starters are coded at the start of their employment. For more information or to apply, please send your CV to [yjames@boccard.co.uk](mailto:yjames@boccard.co.uk).
