job details Job Title: Electrical Maintenance Engineer Location: Portsmouth Company: Facilities Maintenance Company Salary: Up to £37,000 per annum (Depending on Experience) + Holiday, Pension, and Other Benefits About Us: My client are a reputable facilities management company with a strong presence in the UK. Committed to providing excellent service to their clients, we manage a diverse portfolio of commercial properties. As they continue to expanding, they are seeking a skilled Mobile Maintenance Engineer to join their team in the Portsmouth area. Job Description: As a Mobile Electrical Maintenance Engineer, you will play a crucial role in ensuring the smooth operation and maintenance of our client's commercial properties. You will be responsible for carrying out planned preventative maintenance, reactive repairs, and installations across a variety of systems and equipment. Working autonomously, you will manage your workload efficiently, prioritising tasks to meet deadlines and deliver exceptional service to our clients. Key Responsibilities: Responding promptly to maintenance requests and resolving issues efficiently to minimise downtime. Performing electrical repairs and installations as required, ensuring compliance with health and safety regulations. Keeping accurate records of maintenance activities, equipment inventory, and work orders. Collaborating with internal teams and external contractors to coordinate maintenance projects effectively. Providing technical expertise and guidance to support decision-making and problem-solving. Upholding company standards of professionalism, quality, and customer service at all times. Requirements: Electrical Qualification - NVQ or City & Guilds equivalent Proven experience as a Maintenance Engineer, preferably in a commercial environment. Proficiency in diagnosing, troubleshooting, and repairing mechanical, electrical,

and plumbing systems. Strong knowledge of health and safety regulations and best practices. Excellent communication and interpersonal skills, with the ability to interact confidently with clients, colleagues, and contractors. Self-motivated and capable of working independently with minimal supervision. Flexibility to travel to different sites within the Bristol area as required. Relevant trade qualifications or certifications 17th or 18th edition Full UK driving licence. Benefits: Competitive salary up to £38,000 per annum, dependent on experience and qualifications. Generous holiday allowance. Van & Fuel Card Pension scheme. Additional benefits package. Opportunities for career development and progression within a growing company. Randstad CPE values diversity and promotes equality. No terminology in this advert is intended to discriminate against any of the protected characteristics that fall under the Equality Act 2010. We encourage and welcome applications from all sections of society and are more than happy to discuss reasonable adjustments and/or additional arrangements as required to support your application. Candidates must be eligible to live and work in the UK. For the purposes of the Conduct Regulations 2003, when advertising permanent vacancies we are acting as an Employment Agency, and when advertising temporary/contract vacancies we are acting as an Employment Business. ...
