

Maintenance Engineer

[Apply Now](#)

Company: Morgan King

Location: Wakefield

Category: architecture-and-engineering

Company Overview:

Join a leading blue-chip FMCG manufacturing business based in Wakefield, renowned for its commitment to quality and innovation. We are currently seeking a skilled and versatile Multiskilled Maintenance Engineer to contribute to the continued success of our Client's operations. If you are passionate about engineering and thrive in a dynamic production environment, we want to hear from you.

Key Responsibilities:

- * Conduct routine maintenance, troubleshooting, and repairs on a range of electrical and mechanical equipment to ensure uninterrupted production.
- * Collaborate closely with the production team to identify and address technical issues promptly.
- * Perform planned preventive maintenance activities to minimize downtime and improve overall equipment reliability.
- * Use diagnostic equipment and tools to analyse and resolve faults in a timely manner.
- * Maintain accurate records of maintenance activities, machine settings, and repairs.

* Participate in continuous improvement initiatives to enhance machinery efficiency and production processes.

* Adhere to health and safety regulations and contribute to a safe working environment.

Requirements:

* Apprenticeship qualified or holds an engineering-based NVQ

* Minimum ONC or BTEC National Diploma in Electrical/Mechanical Engineering.

* Proven experience as a Multiskilled Maintenance Engineer in an FMCG manufacturing environment.

* Strong technical skills in both electrical and mechanical disciplines.

* Ability to work effectively on a rotating 3 on / 3 off shift pattern (Days and Nights).

* Excellent problem-solving abilities and attention to detail.

* Effective communication and teamwork skills.

Qualifications:

* Apprenticeship qualified or holds an engineering-based NVQ or equivalent.

* Minimum ONC or BTEC National Diploma in Electrical/Mechanical Engineering.

Benefits:

* Competitive salary of up to £52,000 per annum.

* Generous holiday allowance.

* Pension scheme of 18%

* Opportunities for training and career development.

If you are a dedicated Multiskilled Maintenance Engineer with a passion for excellence and a commitment to achieving results, please apply now
