

## Maintenance Engineer

[Apply Now](#)

Company: Pioneer Selection Ltd

Location: Willey, Warwickshire

Category: other-general

Maintenance Engineer (Electrical or Mechanical)

Salary: £37000 + OT

TRAINING AND PROGRESSION AVAILABLE

Location: Lutterworth

We are currently recruiting for a UK leading company in the Lutterworth area who are looking for a Maintenance Engineer. Our client is experiencing year on year growth due to the quality of the service they provide, which has allowed them to be able to increase the size of their engineering team. My client has 10 + sites in the UK, their site in Lutterworth is one of their leading sites with state-of-the-art automated machinery, regular Mutli million-pound investment, tailored training programmes. The right candidate will benefit from joining a company who are one of the leading industrial manufactures in England. The succesful Maintenance engineer will get the chance to join a great team who are happy to support new staff members, in addition the succesful maintenance engineer will receive regular training and development to allow them to reach their potential! Please only apply, if you are happy to work a combination of days and nights
