Maintenance Engineering Opportunities

Northern Ireland

£30k - £50k

Vickerstock are currently working in partnership with some of Northern Irelands top Manufacturing/Engineering firms, with some excellent Maintenance Engineering vacancies live across all of Northern Ireland.

I'm keen to speak to;

Mechanical Maintenance Engineers/Technicians.

Instrumentation Engineers.

Maintenance Electricians.

Field Service Engineers.

Electrical Engineers.

Mechatronic Engineers.

Commisioning Engineers

If you fall into one of the above categories and are currently looking to make a move, or even just to discuss what opportunities are live, then please Contact **Calum Cowieto** discuss this in absolute confidence or
