Are you a Maintenance Manager that fancies a change of scenery? Do you work for a Council or Housing Association but would like to work with a University? Then I might just have the role for you!

The college are looking for an interim Maintenance Manager to join them on a 3 months contract whilst they recruit for someone permanently. Or if you get on well, they could offer you a permanent position after 3 months!

What will you be doing?

Covering reactive, PPM and cyclical works, theres plenty of work to get stuck into.

You will report directly into the Domestic Bursar and manage a team of 6 multi-skilled operatives.

Using a Building Management System (BMS) you will also help monitor energy usage to ensure the Colleges carbon reduction policies are being achieved.

Part of this role will also include working on some exciting major projects and refurbishments of the buildings on site

What do you need?

Ideally you will have worked for a college or university, but if you have worked for; an NHS trust, housing association, local authority or something similar the College are happy to consider you for this role.

Previous experience working as a Maintenance Manager

A qualification in the relevant field such as; surveying, project management or construction

If you have worked with listed or historic building this would be an added bonus!

So,
