Maintenance Supervisor - Weekends

Dudley, GA

\$80,000 - \$95,000 + 15% Bonus + Training + Progression + Fantastic Benefits day 1

An excellent opportunity for a Maintenance Supervisor looking for a weekend shift where you will work in a highly automated facility for global organization in one of their newest sites in the US.

This organization are a leader in their industry, with multiple sites across the US and are continually expanding, updating and improving their locations. Now due to growth they are looking for a Maintenance Supervisor to join the company.

In this role you will be working Friday (8hours), Saturday and Sunday (12 Hours) and lead a small team of maintenance technicians to ensure the plant equipment is running to optimum efficiency. This site contains lots of automation equipment, along with a wide range of plant equipment. You will be planning the maintenance along with the maintenance manager and also be hands on with the team.

You will be a Maintenance Supervisor or Manager with a mechanical or electrical background and come from a heavy industrial background. You will also be happy to work a weekend shift.

This is a great role for someone wanting a leadership position that is technically interesting and varied and where you can further progress your career in a growing organization with fantastic benefits.

The Role:

*Weekend shift - Friday (8 Hours), Saturday (12 Hours), Sunday (12 Hours), Wednesday (4 Hours)

*Maintenance Supervisor of a small team

*Responsible for maintenance planning and also hands on with the team

*Maintenance of a wide range of machinery and plant equipment including automation

The Person:

*Maintenance Supervisor or Manager

*Mechanical or Electrical background

*Come from a heavy industrial environment
