

Maintenance Surveyor

[Apply Now](#)

Company: Skilled Careers

Location: London

Category: other-general

An exciting opportunity has arisen for a contract/permanent position as **Maintenance Surveyor** in West London covering Kensington and Chelsea patches with a **Local Authority**.

*** 2 day compulsory office, and rest of the week to be spent between home and site visits***

Main Objective:

Voids refurbishment surveyor needs to specify voids and to ensure contractors and in-house DLO are working to meet the targets to handover the property.

Monitor quality of the voids and ensure the voids standard is met

Work using a handheld device (PDA) to spec a void room by room on NAT Fed schedule of rates and ensure photos are taken during all inspections

Needs to also work with Voids and Lettings Manager to review variations submitted and approve invoices ensuring charges are accurate.

Must have experience of working as a surveyor within social housing especially on Voids and refurb projects

If you would like to know more about this role or to get the detailed JD, please get in touch with me for more information.
