Company: Adjusting Appointments Limited

Location: United Kingdom

Category: other-general

Job Profile

National loss adjusting practice seeks to appoint a Major Loss Surveyor to its Surveying Services Division in a dedicated technical role supporting the Major & Complex Loss Division.

You will provide support and guidance to major loss adjusters specifically for the building aspects of large, complex and challenging domestic, high net worth and commercial losses generally in excess of £100,000 and occurring throughout the north.

You will operate from a home base.

Applicant Requirements

Candidates must essentially be MRICS or MCOB qualified and have a minimum of 3 years in a loss adjusting environment handling losses arising from a wide variety of property perils including fire, storm, flood, impact etc.

You can live anywhere within the north but must be prepared to travel extensively to deal with quality losses.

Basic salary to £65,000 plus bonus, car/allowance, pension and 25 days holiday.
