Company: Oyster

Location: London

Category: other-general

If you like the sound of that, this one's for you. You'll be working for a Council in London who are looking for someone to manage their Retrofit projects from inception through to completion. This includes developing specifications, the procurement of contracts including Mechanical and Engineering contracts, Fire Safety and Decent Homes contracts. You will be on a rate from £ per day to £ per day, this is competitive. This contract will be 6 months initially, then it will be extended if everyone is happy. You'll be based from home for 2-3 days per week, whilst the other half of the week will be out on site for any necessary leasehold inspections you will need to carry out.
