

Management Accountant - 6 month FTC

[Apply Now](#)

Company: Nxtgen Recruitment

Location: Spalding

Category: other-general

NXTGEN are working with an expanding SME business as they recruit a Management Accountant to join their team based near Spalding on an initial 6-month FTC. Working closely with the Financial Controller, the Management Accountant will work to ensure all month end reports and accompanying management information are delivered. This will include working with operational teams to provide insight on operational performance as well as producing insight on costings. This Management Accountant role will also work closely with sales teams to review commercial performance, identifying customer and market trends in the process. This is a broad Management Accountant role and the successful candidate can also expect to support with technical submissions during busy periods.

Key responsibilities of the role will include:

Prepare monthly end management accounts with variance analysis

Support with the annual budgeting and forecasting process

Prepare monthly and quarterly VAT returns

Business partner with both commercial and operational teams to provide key insights

Reconcile bank accounts and balance sheet as required

The successful candidate will ideally be ACCA or CIMA qualified with prior experience. You will ideally have prior experience working in a fast paced environment such as FMCG, Manufacturing or Engineering. The role would require you to be able to manage your own work

load and work within a team or individually if needed. It is expected that the successful candidate will have strong IT and Excel skills along with a strong knowledge of all aspects of management accountancy.

For the successful candidate, this is an excellent career opportunity to work within a growing team that will offer great support and potential.
