Management Accountant Bio Technology Company £55,000-£60,000 Bonus and Benefits available Hybrid working Our client is a PE Backed Bio Technology Company who are looking for a Management Accountant to report in to the Finance Director. This is a very exciting opportunity for someone looking to progress their career and develop the commercial department. You will also establish and maintain financial policies and management information systems, including all month end reporting, weekly cash flows and KPI reporting. The successful candidate will be a qualified accountant (ACA, CIMA, ACCA or equivalent) or finalist. You will be comfortable to work at pace and in an exciting environment and have experience working in a SME environment. You will have strong communication skills and the ability to work well with others at all levels and build relationships with stakeholders effectively. This role will be paying a strong basic salary, bonus and benefits package. Their head offices are based in Central London (zone 1) but hybrid working is fully operational.
