

## Management Accountant

[Apply Now](#)

Company: Sewell Wallis

Location: United Kingdom

Category: business-and-financial-operations

### Job description

Join a dynamic team who are growing exponentially, a leading property construction company located in Stockport. Having a commitment to excellence, innovation, and sustainable development they continue to expand and are seeking a talented Management Accountant to join our finance department and contribute to our ongoing success.

The business have a collaborative and supportive work environment with a culture of well-being with some fantastic benefits and unbeatable progression opportunities.

### The job;

As a Management Accountant, you will play a crucial role in providing financial insights, analysis, and support to facilitate informed decision-making within the organization. You will be responsible for overseeing various financial activities, ensuring accuracy, compliance, and efficiency in all accounting processes. This position offers an exciting opportunity for a skilled professional to thrive in a fast-paced environment and make a significant impact on our company's financial performance.

Prepare and analyse monthly management accounts, including variance analysis and commentary, to support strategic decision-making.

Manage the budgeting and forecasting processes, collaborating with department heads to develop accurate projections and monitor performance against targets.

Conduct cost analysis and identify opportunities for cost optimization and efficiency improvements across projects and departments.

Maintain fixed asset registers, reconcile balance sheet accounts, and oversee month-end and year-end closing procedures.

Prepare financial reports for stakeholders, including management reports, cash flow statements, and financial statements in accordance with regulatory standards.

Stay updated on industry trends, regulations, and best practices in management accounting, implementing changes as necessary to enhance financial processes and controls.

**The person;**

Professional accounting qualification or part qualified (ACA, ACCA or CIMA)

Proven experience in the construction or property development industry.

**The benefits;**

Competitive salary

20% bonus

hybrid working

On-site parking

Great transport links from Manchester, Sheffield, Leeds and surrounding areas

On-site gym

Yoga studio/classes

Free food

Career development and plentiful progression opportunities
