Global manufacturing brand - hybrid working

### About Our Client

Our client is a globally recognised leader in the industrial and manufacturing sector. With a workforce of over 8000 employees worldwide, the company is committed to producing high-quality products and delivering exceptional service to its clients.

### Job Description

Preparation and presentation of monthly management accounts.

Assisting with budgeting and forecasting activities.

Developing and maintaining financial models.

Performing variance analysis and providing commentary.

Contributing to the financial planning process.

Liaising with auditors and ensuring compliance with statutory requirements.

Ad-hoc project work and analysis as required.

Working alongside other teams to drive financial performance.

### The Successful Applicant

A successful Management Accountant should have:

Studying towards an accounting qualification (ACA, ACCA, CIMA or equivalent).

Understanding of industrial or manufacturing operations.

Excellent analytical skills with a focus on accuracy and attention to detail.

Strong communication skills, both written and verbal.

Proficiency in Microsoft Office, particularly Excel.

Ability to work in a fast-paced, deadline-oriented environment.

### **What's on Offer**

Competitive salary up to £40,000

Temporary role with potential for extension or permanency.

Hybrid working

On site parking/facilities

Flexible hours
