Company: BSI

Location: United Kingdom

Category: business-and-financial-operations

Great that you're thinking about a career with BSI!

Position Management Systems Auditor

Salary: Competitive basic salary based on experience plus Company car, Incentive bonus and a great benefits package

Location : Homebased – East Midlands area with travel

The auditor role:

As a BSI auditor you will support clients through their assessment process with us to achieve ISO standards. No two days are the same; we see a wide range of clients from the very small to global brands in different industry sectors with opportunities to work on site and remotely. You'll take clients through the audit process and once this is complete you'll prepare a report and present your findings, ultimately helping our clients to improve.

For this role:

We're looking for someone who already has a good level of knowledge and experience in more than one management standard, ideally the core standards of ISO9001, ISO 14001, ISO 45001 but we offer comprehensive training and development to help you build your skill set and audit techniques.

The important thing is that you're a great communicator, agile in your approach, resilient and supportive. Ideally you'll have industry knowledge in the manufacturing and construction industries.

What we offer you:

In addition to your ongoing training and development we also offer:

Generous leave allowance of 27 days with the option to buy/sell additional days

Company paid private medical insurance

Excellent company-contributed pension scheme

Volunteer day to give back to the community

Appreciating you recognition programme

Rewards programme with access to discounts and cashback

Life assurance at 4 x base salary

plus... a wide range of flexible benefits that you can tailor to suit your lifestyle.

About BSI -We partner with clients and stakeholders to deliver impactful solutions to important issues, working to create a better future. Our profits are invested back into our founding purpose: making society better.

We cherish a diverse, caring and inclusive culture where everyone can perform at their best.

Our Excellence Behaviours: Client-centric, Agile, Collaborative. These three behaviours represent how we do things at BSI. They help us ensure that BSI is a great place to work and a highly successful business.

BSI is conducting face-to-face interviews where appropriate and possible. If you are invited to a face-to-face interview but feel more comfortable with conducting the interview virtually, please speak to a member of our recruitment team.
