Manager - Accountancy & Finance Recruitment

£50,000 + excellent bonus & benefits

Birmingham

Great opportunity to head up a team of consultants within a specialist recruitment business, focussed on accountancy and finance recruitment. You'll be joining an established firm, with a great reputation in the industry: A firm with a true commitment to the wellbeing and development of their people. (Offering a high quality service, to their candidates and clients alike).

You will take over an existing team of experienced consultants. You will need to have a credible and demonstrable track record in recruitment (if not from within A&F, then within a related professional services sector). You'll be given support, investment and encouragement to grow the team further - along with a high degree of day-to-day operational autonomy.

You will ideally have managed people previously (but if this could be your first step up into a management role, contact us for a further discussion). If you're looking for an opportunity to join a market leader - in an rarely externally hired position - this is your opportunity!

Apply today. Full details will be shared with applicants possessing the right mix of experience.

(Please kindly note that agency-side experience within recruitment is essential for this position).

Talent Lift specialise in senior rec-to-rec. With strong connections across the recruitment industry, we find brilliant people for some of the very best:

Recruitment Agencies

Executive Search Firms

MSP / RPO / Talent Solutions Providers

Recruitment Industry Investors, Advisors and NEDs

'Rec Tech' Providers

If you're looking to take your recruitment career to the next level, we can get you there.

Above all, your confidentiality is our priority. We work discreetly but effectively.

You'll find some of our current opportunities on the Talent Lift website (talentlift.co.uk).

However many of our placements also stem from unadvertised, newly-created opportunities. If you're an experienced recruitment professional, feel free to send your CV to us more speculatively.

Talent Lift specialise in senior appointments within recruitment. Typical roles include recruitment manager, recruitment director, recruitment sales director, operations director recruitment, partner executive search, area manager recruitment, regional manager recruitment, associate director recruitment, managing director recruitment. Talent Lift cover a range of recruitment sectors, including financial recruitment, accountancy recruitment, finance recruitment, executive search, search and selection, actuarial recruitment, built environment recruitment, change management recruitment, charities recruitment, commercial recruitment, construction recruitment, digital recruitment, driving recruitment, transport recruitment, education recruitment, energy recruitment, oil and gas recruitment, engineering recruitment, environmental recruitment, ex military recruitment, financial services recruitment, FM recruitment, FMCG recruitment, healthcare recruitment, hospitality recruitment, housing recruitment, HR
