

Manual Machinist

[Apply Now](#)

Company: Adept Resourcing Engineering Ltd

Location: Wincobank

Category: architecture-and-engineering

Adept Resourcing are excited to be working with a well-established precision engineering company based in Sheffield who are looking to recruit a Manual Miller to join their team.

As part of a busy and growing manufacturing environment, your role will entail operating manual milling machines with tailor-made work.

You'll report to the Team Leader and handle these responsibilities on a day-to-day basis.

SHIFTS – 2 or 3 shifts patterns are available, option of mornings and afters, afters and nights or rotating 3 shifts.

SALARY – Ranging depending on shifts - £28,000 - £30,000

Responsibilities:

- * Configuring machines to match engineering drawing specifications
- * Maintaining high-quality standards for produced parts
- * Ensuring production targets are met

* Implementing 5S principles

* Documenting and communicating any problems or concerns

* Safely operating and managing manual milling machines

Experience:

* Minimum of 2 years of experience as a Manual Milling Machinist

* Understanding of engineering drawings

* Working to tight tolerances

* Ensure that all duties are carried out meeting health and safety guidelines

To find out more about this role please call the office on (phone number removed)
