Master Wightlink is one of the UKs largest domestic ferry operators, providing a link between the Isle of Wight and the Hampshire mainland.

We are looking to recruit a Master on our Lymington Yarmouth service. The successful candidate will hold a Master Unlimited Certificate of Competency and will have gained 12-months previous experience as a Master or Chief Officer working on passenger ships within the last 5 years and ideally have worked with Voith Schneider propulsion systems.

You will be required to show strong skills in

Leadership and Management

Ship handling

Bridge Team Management

On Board Operations

Communication skills at all levels afloat and ashore.

Crew Development.

As Master, you will lead standards on board. These include:

The effective implementation and development of the Safety Management System

Develop a culture of continuous improvement

Operational efficiency and punctuality

Effective engagement by all crew members with the customer

Active support for the development of all aspects of customer service

Prompt circulation of relevant company operations and safety communications

Crew performance, attendance and reliability

Crew appearance and presentation

Planned and Corrective Maintenance

In return we offer a competitive salary and the opportunity to work at sea but still go home at night!

The applicant appointed will benefit from:

A competitive Company Pension Allowance

Wightlink and Rail Travel benefits

A vast range of retail benefits
