[Apply Now](#)

Company: anzuk Education

Location: Brixton Hill

Category: educational-instruction-and-library

Job Description: Maths Teacher

Location: Brixton Hill in Brixton area of South East London

We are looking for an experienced Mathematics teacher for a secondary school in Brixton. This full time position is required to start in April 2024 until July 2024. The school would like a teacher with a specialism in key stage 3 and 4 mathematics. An extension after the initial contracted period is an option for any suitable applicants.

The School:

Part of a large national multi academy trusts in England

Community includes over 18,000 pupils and 2,300 teachers and non-teaching professionals across the country

Recently rated 'Good' by Ofsted. Well-rated in senior leadership, sense of community and positive impact on pupils lives

Opportunities for professional development and further teacher training

A well-equipped and supportive learning environment for students and staff

Excellent transport links - located in Brixton The Role of a Maths Teacher:

We are looking for a Mathematics teacher to cover all key stages and GCSE classes

The successful candidate will be required to be a high achiever and will be confident planning and executing Mathematics lessons

The position is a full time role beginning in April 2024 and continuing until the end of the academic year

Any successful candidates will be encouraged to apply for a permanent role in September 2024

Working hours are from 8:30am - 15:30pm What you will need:

You will need to be passionate about mathematics and knowledgeable of the subject and curriculum

You will need to be result-driven with an energetic attitude

You will ideally have expertise in curriculum planning, delivery, and assessment and possess the ability to work well within a team environment

Hold an Enhanced Child workforce DBS with an update service subscription, or be willing to apply for one through anzuk

Have a full updated CV, outlining employment covering the last two years - any gaps in employment must be accounted for

References to cover the past two years Benefits of working with anzuk Education:
