Are you a driven Maths Teacher with the ability to deliver interactive, effective lessons at Key Stages 3-5?

Hourglass Education are currently assisting a 11-18 secondary in Hertford as they look to recruit a Maths teacher on a permanent contract from September 2024.

The school has a strong and effective Senior Leadership Team and the teaching and learning environment is a welcoming one where positive relationships are nurtured. The school enjoys a strong and growing reputation in the local area.

The school is an 11-18 so whilst there is potential for KS5 teaching, the ability to engage and inspire students at KS3 & KS4 is essential.

Applications are encouraged from qualified teachers holding QTS, QTLS or an equivalent overseas teaching qualification. The vacant position would be suitable for teachers of all experience.

If you are a teacher of Maths and this position is of interest to you then please apply below.
