Maxwell Fellowship in Public Engagement

School of Mathematics

UE09 - £61,198 - £75,498 (Pro rata)

Part-time – 17.5 hours per week

5 year fixed term contract

The School of Mathematics, jointly with the School of Physics & Astronomy, are seeking to appoint to the Maxwell Fellowship in Public Engagement.

The Opportunity:

The primary responsibility of the fellowship holder is to generate public engagement with fundamental concepts and applications of mathematics and physics, reaching a global and diverse audience. The holder of the Fellowship will also be expected to pursue a program of original research in mathematics, theoretical physics or their applications, and to contribute to teaching in both Schools.

Your skills and attributes for success:

distinguished record in mathematics/mathematical physics

superb communicator with extensive experience of public speaking and lecturing

able to deliver complex information to largely non-specialist audiences

research track record of high international standing

evidence of excellent teaching
