

Mechanical Contracts Manager

[Apply Now](#)

Company: Energi People

Location: Wokingham

Category: construction-and-extraction

My client are an established M&E company specializing in the residential sector and they are seeking a highly skilled Mechanical Contracts Manager. The successful candidate will be responsible for overseeing the planning, design, implementation and delivery of various projects across multiple locations around the Basinstoke to Wokingham area.

Responsibilities:

- Manage all aspects of project management from inception through to completion.
- Ensure that health & safety requirements are met at each stage of every project
- Coordinate with internal teams regarding resource allocation for efficient execution
- Monitor progress against budgets ensuring cost-effectiveness throughout

Qualifications:

The ideal candidate should possess:

- Proven experience working on large-scale residential projects
- Excellent communication skills both written and verbal
- Excellent knowledge of the 2024 building regulations and health and safety

Skills Required:

In addition to excellent communication skills mentioned above we require someone who has expertise/experience around;

- Technical knowledge surrounding plumbing and heating - coming from a plumbing and heating background would be ideal
- Ability to work under pressure whilst maintaining high standards

Salary package offered : £50,000 - £65,000 per annum along with some attractive benefits like a company vehicle plus a fuel card, holiday allowance , pension scheme etc.

To apply for this Mechanical Contracts Manager position then contact Jake Gumbrell on (phone number removed), Energi People.
