Company: britishgypsum

Location: United Kingdom

Category: architecture-and-engineering

Contamos com você para

Are you someone who is passionate about delivering a professional maintenance service in industrial environments?

At our British Gypsum site in Sherburn, we are looking for **Mechanical Engineer** to work within our talented Performance team, tasked with ensuring continuous, fault free manufacturing.

As Mechanical Engineer, you will deliver the maintenance strategy for the area of focus with respect to Mechanical engineering, and deliver relevant capital projects on time and within budget.

British Gypsum is part of Saint-Gobain and is the UK's leading manufacturer of interior lining systems.

What you will be doing:

Performing predictive and preventative planned maintenance activities for the plant.

Managing contractors and suppliers.

Project installation work including CapEx projects.

Maintain and manage Infor EAM maintenance system.

Performing root cause analysis on plant breakdowns and failures.

Este trabalho é para você?

What we're looking for:

Degree calibre (mechanical discipline) or equivalent (i.e HND & relevant experience).

Previous experience in a Mechanical or Maintenance Engineering role applying WCM principles.

Exposure to managing individuals and team.

Project Management knowledge and experience would be a benefit.

A hands-on approach to maintenance issues would be desirable (i.e time served).

Um pouco mais sobre nós

Are British Gypsum and Saint-Gobain inclusive employers?

Saint-Gobain is the worldwide leader in light and sustainable construction improving daily life through high-performance solutions. From wherever you are, let your unique personality and our values guide you every day to invent a more sustainable world.

We understand that a diverse workplace is not only a more enjoyable place to be, but also facilitates better decision making and innovation. So, whoever you are, and whichever Saint-Gobain business you join, you can be sure of a warm welcome with us.

And what about flexibility?

The world of work is changing. At Saint-Gobain, we're always open to new ways of working. Everyone has different needs and commitments. We'll happily discuss any need you might have for this role: flexible hours, job-sharing, part-time working, or anything else that matters to you. We can't promise to meet every request when we're recruiting. But we do promise to listen.

If you match our criteria, we will be in touch to discuss your experience and find out more about you as a person, we look forward to hearing from you!
