

## Mechanical Estimator

[Apply Now](#)

Company: Rock Recruitment

Location: East of England

Category: architecture-and-engineering

MK Search are working with a leading M&E contractor with a turnover of circa £300m and a strong presence across the commercial, healthcare and data centre sectors who are looking for a mechanical (or senior) estimator to join their Cambridge business unit. Reporting to a pre-construction director you will join a talented estimating team across the wider business but work alongside an electrical equivalent as the sole mechanical estimator for the Cambridge business unit focusing on upcoming work load across the east Anglia region preparing bids and estimates up to £30m.

Duties and responsibilities:

- Close liaison with clients/potential clients regarding any enquiries received into the company and assigned, representing the business in a professional manner at all times.
- Attend site surveys or tender interviews as necessary.
- Liaise with other departments regarding completion of all information as identified as required within the enquiry.
- Evaluate supplier and sub-contract returns to ensure compliance with the tender specification.
- Provide ongoing assistance to the projects team if requests for the generation of variation costs are received.

Sign off to pay an attractive salary and an opportunity to join one of the most respected contractors in the region with an exciting order book of flagship projects across the NHC region
