Mechanical Estimator - Permanent - Commercial Projects - based in Suffolk

An established national mechanical and electrical building services company are actively looking for an experienced Mechanical Estimator based in their regional office tendering projects within the East Anglian region.

You will have experience in medium to large new build and refurbishment projects within the Industrial, Commercial, Education, Healthcare, MOD, Government and Leisure Sectors.

As the Mechanical Estimator you will work within an established estimating team in preparing estimates up to £5 million joint M&E value, typically 100k to £2 million mechanical.

As the Mechanical Estimator you will have the following duties and responsibilities:

- Produce competitive, commercially viable tenders for new and existing clients.
- Ability to identify alternative designs to obtain competitive advantages.
- Carry out take off's from working drawings.
- Able to negotiate the optimum tender price from suppliers, wholesalers and subcontractors.
- Ensure tenders are prepared to a high standard.
- Participate in handover of successful bids to delivery team.
- Ensure delivery team understand the technical, financial and key programme issues.

Successful applicants will have the following qualifications and experience:

- Previous experience of a similar role within a building services contracting environment.
- Mechanically qualified, with associated qualifications
- Ideally, they are looking for someone from the local East Anglia area that has already developed close working relationships with end user and main contractor clients.

Salary and benefits:

- £45,000 - £55,000
- £6,000 car allowance
- 4% Pension
- Healthcare
- 25 days Holidays + 8 BH

Please contact Adam Brown on (phone number removed) or (phone number removed) or (url removed) for more information about this role or if you are interested in a new Mechanical Estimator opportunity within the Building Services sector
