Company: Interaction Recruitment

Location: Moulton, Northamptonshire

Category: construction-and-extraction

Mechanical Estimator - Commercial, Education, Healthcare and Residential projects - based in Northampton, Northamptonshire

A leading national Building Services Contractor is currently recruiting for a Mechanical Estimator to be based from their Northampton office tendering projects in the East Midlands; this is an exciting opportunity join an expanding office for a well-established business.

They offer a comprehensive electrical and mechanical installation service across many sectors including Education, Health, Defence and Commercial / Industrial.

As the Mechanical Estimator you will work within an established estimating team in preparing mechanical estimates of values up to £6 million, so previous experience is essential.

The Mechanical Estimator will have the following duties and responsibilities:

- To send out enquiries to suppliers and sub-contractors.
- Ensure tenders are prepared to a high standard.
- Take-off the drawings and input into Estimation software.
- Obtain competitive and accurate quotations from mechanical specialists.
- Liaising with other members of the estimating team and Contracts Managers.
- Carry out estimates using electronic packages.
- Take the master tender letter and summary and customise them to suit the requirements of

the submission and more importantly incorporate any specific clarifications.

- Develop working relationships with design consultants, main contractors, and clients to establish communication paths.

Successful applicants will have the following qualifications and experience:

- Experience within in similar position as a Mechanical Estimator.
- Mechanical qualifications.
- Strong negotiation skills.
- Confident communicator.
- Ideally, you will have either SMSTS and or SSSTS.

Please contact Adam Brown on (phone number removed) or (phone number removed) or (url removed) for more information about this role or if you are interested in a new Mechanical Estimator opportunity within the Building Services sector
