Mechanical Fitter / Maintenance Engineer With Forklift License

£30,000 - £36,000 + Progression + Training + Benefits

Measham (commutable from Leicester, Nottingham, Derby, Tamworth, Burton upon Trent, Lichfield, Nuneaton, Loughborough)

Are you a Mechanical Fitter, Maintenance Technician or similar looking to join a thriving global manufacturing company who are consistently expanding with a constant stream of unique projects, offer the opportunity to progress into senior positions and a great culture?

On offer is the opportunity to join an expanding company who provide award winning sustainable energy solutions and fuel storage systems for various clients and partners around the world. They have created a global client base by providing market-leading solutions and are growing rapidly into a very receptive market, meaning plenty of opportunities for progression.

In this varied and exciting role you will be fully trained on specialist equipment including making any modifications, fitting extra technologies and performing any light maintenance that might need to be done. The role requires you to have experience using a forklift.

This role would suit a Mechanical Fitter, Maintenance Technician or similar looking to join an exciting, award winning company who prioritise their company culture, have a tight-knit team,

offer you the ability to progress your career and work on interesting projects that will be sold to clients across the world.

The Role:

- * Mechanical fitting and light maintenance
- * Training on specialist equipment
- * Drive a forklift
- * Monday to Friday - mostly Warehouse based, occasional travel to site

The Person:

- * Background in Mechanical Fitting / Maintenance or similar
- * Forklift license (or ability to renew)
- * Commutable distance to Measham (no relocators)

This position does not offer sponsorship.
