Company: DCV Technologies

Location: West Bromwich

Category: architecture-and-engineering

Mechanical Fitter.

West Bromwich.

£28,800 - £31,900.

As one of the UK's largest independent manufacturers supplying to the commercial sector my client manufactures fine chemicals and rubber accelerators and has a history spanning over 150 years. With their headquarters in West Bromwich, they are true pioneers within the chemicals industry and believe their success has been built upon their innovative processes and continually investing in the development of their highly-skilled workforce - with internal and external training courses readily available. They champion personal development and are always keen to promote people from within the business.

Due to the retirement of a long-standing member of the maintenance department, an opportunity has arisen for a Mechanical Fitter / Senior Mechanical Fitter to join their team in West Bromwich and support within a lower tier COMAH facility. Does this sound like the type of company that can offer you an exciting next step of your career?

Working within the talented Mechanical Maintenance team, the key responsibilities for your new role are as follows:

- * Mechanical preventative and reactive maintenance work, including working on gearboxes, pumps, mechanical seals and pipework.
- * Mechanical plant installation and modification work.
- * Statutory inspections such as pressure testing, plant integrity and commissioning work.
- * Using computerised maintenance management systems.
- * Using and interpreting equipment drawings, manuals and other technical information to assist with works.
- * Working in accordance with the company safe systems of work and permit to work systems.

My client is keen to hear from people who possess a Level 3 in a practical mechanical fitting or engineering discipline and proven experience of working as a Mechanical Fitter in a fast-moving industrial / manufacturing environment. Regardless of previous expertise, you will be a team player, by nature, and be able to communicate effectively with a variety of departments.

In return, my client is offering a salary of £28,800 for a Mechanical Fitter and £31,900 for a Senior Mechanical Fitter with significant experience. The role will operate on a 40 hour working week and the hours will be 8am – 4.30pm, Monday – Friday.

An excellent benefits package is also on offer which includes 25 days holiday, plus Bank holidays, pension, life assurance and paid sick leave, with further opportunities for progression available for those who want it.

The company are easily accessible from West Bromwich, Birmingham, Oldbury, Tipton, Dudley, Wednesbury, Smethwick and the surrounding areas and the area offers sensibly priced accommodation and a variety of lifestyle options to suite every taste.

If this Mechanical Fitter / Senior Mechanical Fitter role is of interest to you, please apply
