

Mechanical Project Manager/ Estimator

[Apply Now](#)

Company: Pearson Whiffin Recruitment Ltd

Location: Forstal

Category: construction-and-extraction

Job Role: Mechanical Project Manager/ Estimator

Area: Maidstone

Salary: £60k - £75k

My client is looking for a Mechanical Project Manager/ Estimator to join their growing team, based on the outskirts of Maidstone.

Responsibilities:

Completing projects within the correct timeframe keeping within budget and scope.

Regular onsite reviews

Monitoring performances of teams to ensure company standards of delivery are being met.

Reviewing staff performance, attendance and morale

Adhering to health and safety and ensuring all relevant documents are prepared for site.

Ensuring that all bids submitted are technically correct and commercially accurate.

Producing tender packages for subcontractors and reviewing returned documents.

Involvement in finalisation and adjudication of tenders including value engineering suggestions.

Production of Schedule of Rates for each successful tender.

Liaising with Commercial teams to review tender documents.

Provide necessary clarification on proposed attendances, contract terms to limit commercial risk.

As required represent the company in negotiations and meetings.

Site surveys and attend internal project handover meetings.

Compliance with all Health & Safety and Environmental standards and legislation.

The ideal candidate will be:

Minimum of 5 years industry experience.

OND/HND/DEGREE Building Services/Mechanical or a related discipline or equivalent experience.

Full UK driving license

This role is being handled by Chloe and Samantha, PW Construction Recruitment.

Please apply with your CV or alternatively call (phone number removed) or email/ for more information.
