Location: York

Category: healthcare-practitioners-and-technical

Description

We care.

It's more than what we do, it's who we are. Everything we do is about striving to deliver the best care. And it's a belief that's as true today as it was when we welcomed our first patients in 1964.

“The Ramsay Way” culture recognises that our people are our most important asset and this has been key to our ongoing success.

We are proud to support the UK's Armed Forces and Reservists and have already achieved the Silver Award as part of the MOD's Armed Forces Covenant Employer Recognition Scheme.

The scheme recognises employers who actively support Defence while encouraging other organisations to adopt the same behaviours in their workplace. As a company we are committed to supporting the wider Armed Forces community and this includes our staff as well as our patients.

We are committed to equality of opportunity for all. This position is subject to background and DBS checks.
