## Learning Support Assistant - Bracknell

An opportunity has come up for a Learning Support Assistant role in a lovely Primary school in Bracknell.

The school hiring need an individual who are keen to support their students through all phases of learning. They are highly regarded in their area and have solid values that focus on supporting their students and helping them access their education in ways that are accessible to them.

The school focus on incorporating restorative practices that help the children manage and regulate their emotions, achieve their goals, both personal and academic and help give them a strong foundation, so that when they leave school - they can go forward with confidence and be ready to face the world!

As a Learning Support Assistant, you will support the students in the classroom, as well as facilitate a safe, fun and engaging learning environment for the students.

To be a great Learning Support Assistant you need:

A kind and compassionate approach

A positive outlook

Patience

Willingness to learn

\*previous experience with children will be great but not essential Those who are looking to make a difference in their community will benefit from this role. You will be supporting students who need help in the classroom and support them in their academic journey, helping them reach their goals.

If you are a graduate looking for experience before continuing your studies, or if you are looking for your first role, this will be a great start for you. You will add valuable experience to your CV and build great skills for yourself.

If this sounds like a role you would do great in and you would like to be considered, then apply now! The school hiring are looking to do interviews as applications come in so don't waste time! Apply now to be a Learning Support Assistant.
