In return for your commitment, you will receive a base salary of £24,830 plus a SIP bonus of up to £1500 per year (OTE) and the following benefits:

If you are sociable, enjoy meeting new people and love always being out and about, this is the role for you! As a flexible Merchandiser, you will do daily visits to our customers across our Grocery stores, where you will build and maintain excellent working relationships.

In addition to that, here are some things you could expect to be doing:

- Merchandising CCEP products, ensuring stock is on sale on the shop floor and displayed as agreed

- Having regular meetings with your team and manager to keep up to date on any challenges and highlights

To succeed in this Merchandiser role, you should be self-motivated and enjoy being in the car behind the wheel as there can be quite a lot of travelling involved (however, your mileage expense is covered from home and back to home). You must also have a full driving license, business insurance, use of your own car, and eligibility to work in the UK. In addition, you will enjoy tech and learning new systems/processes as there are many apps to use in your day to day. Please note that this can also be quite a physical role with manual handling; however, full training is provided, and equipment to help lift is given.
