MET Technician

Heywood

Up to £40,000 DOE

Monday-Friday

We have a MET Technician position available in our busy accident repair centre in the Heywood area. As a Mechanic/MET Technician we want all our staff to take pride in the quality of their work. We are uncompromising on customer safety and quality, therefore, all our repairs are to manufacturer and industry standards.

MET Technicians are specialists in identifying any mechanical and electrical components which may be damaged and ensuring that they are removed, and safely refitted back on the vehicle. Experience of using diagnostic equipment, and carry out wheel alignments, are a key requirement for the role, preferably supported by the relevant qualifications although this is not mandatory.

The ideal candidate should have the following:

- * Good Attention to detail.
- * Good written and verbal communication skills.
- * Ability to work as a team and individually.
- * A good understanding of mechanical structures of modern motor vehicles.
- * Previous experience in the accident repair industry.

Benefits:

- * Fantastic working environment.
- * Company pension scheme.
- * Training available.
- * ATA not mandatory.
- * Overtime available.

CLICK APPLY if you are interested in finding out more.

We will be in touch immediately.
