Our client is one of the largest independent Accident Repair Groups in the UK and is an award-winning company with over 30 years of knowledge and expertise within the vehicle body repair sector. Having originated in the Midlands, the business is expanding rapidly through organic growth and acquisition throughout the UK.

They are dynamic in their approach and geared to completing outstanding repairs, by

combining the latest techniques and most effective technology with delivering excellent customer service. They ensure that our customers are at the heart of what we do.

They are actively looking for an MET Stripper Fitter for their Accident Repair Bodyshop in Sudbury.

About the Job:

As an experienced MET, you will be responsible for:

Carrying out all necessary mechanical and body work on allocated jobs

Dismantling vehicles ready for the panel shop

Carrying out inspections, fault-finding, and diagnostic work

Ordering replacement parts

Re-assembling the vehicle with new parts as required to pre-accident condition

About You:

You must be able to:

Plan your workload effectively to ensure vehicles are ready to agreed timescales

Work skillfully and safely under pressure

Carry out work in accordance with manufacturers specification

Work as part of a team as well as on your own initiative with minimal supervision

Be flexible in your approach

Continually work to high standards with customer satisfaction in mind

You will ensure that all tasks carried out follow our Health and Safety guidelines; for example, wearing all provided Personal Protective Equipment (PPE) and keeping all work areas clean and tidy.
