

Metal Fabricator

[Apply Now](#)

Company: Frontline Recruitment Group

Location: Aylestone

Category: other-general

We have an exciting opportunity for a Metal Fabricator to join one of our client's team. As a Metal Fabricator, you will be responsible for fabricating and assembling metal components to create a variety of products. Your expertise in metalworking will be instrumental in producing high-quality, precision-engineered components.

Key Duties:

- * Fabricating and assembling metal components according to technical drawings and specifications.
- * Operating metalworking machinery and hand tools with precision and safety.
- * Welding, cutting, bending, and shaping metal to create finished products.
- * Inspecting finished products to ensure quality standards are met.
- * Maintaining a clean and organised workspace.
- * Previous experience of at least 2 years required.

Location:

* This position is based in Leicester LE2, offering you the opportunity to work in a dynamic and supportive environment.

Shift:

* Monday to Friday, morning shift. Overtimes available.

Pay:

* We offer a pay rate of £16 per hour.

Assignment:

* Temporary ongoing.

Please note that we reserve the right to close the vacancy prior to the application deadline/closing date once a sufficient number of applications have been received.

If you haven't heard back from us within 2 weeks, please assume that unfortunately on this occasion your application has been unsuccessful.

Frontline Recruitment is an equal opportunities recruiter, welcoming applications from all suitably skilled or qualified applicants, regardless of their race, sex, disability, religion/beliefs, sexual orientation, or age. We act as an employment business in relation to this vacancy.
