Microscopy Account Manager - North UK

Location – Field Based - North UK

Salary – Competitive base, strong comms plan, company car

We are seeking a Microscopy Sales Account Manager in the North of the UK to join one of the UK's leading microscope brands. The successful candidate will play a pivotal role in boosting the company's presence and sales for their microscopy range across the North of the UK. If you have a passion for microscopy and enjoy demonstrating a very diverse range of microscopy and imaging equipment, as well as organising and attending roadshows and exhibitions, we encourage you to apply for this position today.

What we're looking for...

* BSc or higher in a Life Science or related subject or equivalent experience

* A track record of scientific sales experience, preferably in the context of microscopes or life science instrumentation

* Familiarity with the microscopy sector is highly desirable, as it helps in understanding the specific needs and challenges of customers in this industry.

In addition to these specific requirements, soft skills and attributes such as excellent communication skills, a customer-centric approach and problem-solving abilities are highly desirable to be successful in the role. The ability to stay updated with the latest advancements in microscopy is crucial for success in this field
