Microsoft Dynamics CE Solution Architect - Permanent

Microsoft, lot of experience, consultant United Kingdom share on

You have a passion for solution design and want to **engineer innovative solutions** together with our customers, based on the **Microsoft Dynamics Customer Engagements** stack.

You have the capability to put yourself in the shoes of the customer, to challenge and inspire them. To achieve this you combine technical and functional knowledge. You can move your customers to adopt best practice, to think in terms of end-to-end processes and to build a sustainable reference architecture (scalable, maintainable and performant). During the implementation phase you stay involved in projects and guide the implementation team.

You will be involved in delaware innovation initiatives, meaning you'll collaborate with colleagues specialized in Azure, D ERP, Microsoft Teams, ... to design integrated solutions.

You are **committed to expand your knowledge** by staying up-to-date on the latest technologies in your field and **mentoring** your less-experienced colleagues.
