About delaware

We exist to help our clients reach their full potential, by applying our common sense, business experience and passion for technology.

Delaware is a global consultancy that partners with leading technology providers such as SAP (Platinum Partner) and Microsoft to deliver advanced digital solutions. We develop, innovate

and implement technology transformations guiding our clients towards an intelligent future. Everyone at Delaware is a steward of the business. We are building for the future and for those that succeed us and we take responsibility for our relationship with the social and ecological environment.
