Microsoft Dynamics Finance Consultant - Contract

Microsoft, some experience, lot of experience, consultant United Kingdom share on You have a passion for solution design and want to **engineer innovative solutions** together with our customers, based on the **Microsoft Dynamics Finance** stack. You have the capability to put yourself in the shoes of the customer, to challenge and inspire them. To achieve this you combine technical and functional knowledge. You can move your customers to adopt best practice, to think in terms of end-to-end processes and to build a sustainable reference architecture (scalable, maintainable and performant). During the implementation phase you stay involved in projects and guide the implementation team.

Apply for Microsoft Dynamics Finance Consultant - Contract!

Thank you for your application.

We will get back in touch with you soon! Have a great day!

About delaware

We exist to help our clients reach their full potential, by applying our common sense, business experience and passion for technology.

Delaware is a global consultancy that partners with leading technology providers such as SAP

(Platinum Partner) and Microsoft to deliver advanced digital solutions. We develop, innovate and implement technology transformations guiding our clients towards an intelligent future. Everyone at Delaware is a steward of the business. We are building for the future and for those that succeed us and we take responsibility for our relationship with the social and ecological environment.
