Microsoft Dynamics D Integration Consultant - Permanent

Microsoft, some experience, lot of experience, consultant United Kingdom share on

You can handle smaller projects **independently** but you work equally well as part of a team and are also capable of being a **project leader** In those kinds of projects, you fulfill a coaching role for your less-experienced colleagues.

You're **not just a programmer** , you're equally good at thinking about tactical and strategic possibilities that combine various systems. You understand the ins and outs of **both the technological and the management side** of the IT story and you can convey and present them clearly – also to your customers.
