Microsoft Dynamics D Project Operations Consultant - Permanent

Microsoft, some experience, lot of experience, consultant United Kingdom share on

You're a **well-rounded Microsoft Dynamics consultant** who can easily **step into the shoes of our customers**, identify their needs and translate them into practical solutions.

You're eager to work on **innovative Operations projects** and look forward to guiding customers through their move to Dynamics and add value to their business processes.

You're committed to **expand your knowledge** by staying up-to-date on the latest technologies in your field.

If you're just as **passionate about operational processes** as we are, and you have a **strong sense of customer satisfaction** – we are, after all, consultants – then you may be the Microsoft Dynamics consultant we're looking for.

Apply for Microsoft Dynamics D Project Operations Consultant - Permanent!

Thank you for your application.

We will get back in touch with you soon! Have a great day!

About delaware

We exist to help our clients reach their full potential, by applying our common sense,

business experience and passion for technology.

Delaware is a global consultancy that partners with leading technology providers such as SAP (Platinum Partner) and Microsoft to deliver advanced digital solutions. We develop, innovate and implement technology transformations guiding our clients towards an intelligent future. Everyone at Delaware is a steward of the business. We are building for the future and for those that succeed us and we take responsibility for our relationship with the social and ecological environment.
