## Mid-Market Infrastructure Investment Associate | London

[Apply Now](#)

Company: Madison Hunt

Location: London Area

Category: business-and-financial-operations

We are partnered with a leading mid-market infrastructure investor, hiring for their growing team in London. Their strategy is core+, value add investments across the full infrastructure market (power, utilities, digital, renewables, transportation). This is an excellent opportunity to join a high-performance team with an established reputation in the infrastructure industry. The team is looking to fill an Associate position in London. Qualifications and Responsibilities

Sitting in a Senior Analyst or Junior Associate position in investment banking, direct investing, or project finance in Infrastructure / Power & Utilities / Renewables / Energy / TMT

Strong financial modeling and full life cycle deal experience

Excellent communication and presentation abilities

Bachelor's degree in finance, business, or related field
