## Mobile Commercial Gas Engineer – Hampshire – 50K & NO CALL OUT

I am currently representing an excellent building services company who are in need of a mobile Commercial Gas Engineer to join a growing HVAC team within the business. The company offer full design, install through to service and maintenance within high end industrial and commercial clientele.

The client has been operating for a number of successful years and this is a new exciting opportunity to come in and help with growing the HVAC service team with opportunities to progress as the team grows.

The client is also open to all experiences and would look at engineers of more a improver level that are in need of additional training and support.

### THE ROLE:

- In need of a mobile commercial gas engineer to work within the south coast, M3 Corridor with some works in London.
- Providing service, maintenance and some installation works across their commercial portfolio

## **SALARY & PACKAGE:**

- Salaries up to 50K
- Company Van & Fuel Card
- 20 days holiday + bank
- Travel paid after half hour EW
- NO CALL OUT ROTA
- Pension
- Tools, Phone, PPE all provided.

If you feel you would be well suited for the role or would like to find out more, please send your up to date CV.
