## Mobile Engineer - Agricultural Machinery

### Job details

Posted 21 March Salary £ - £ per annum Location England Job type Discipline Agricultural & Farm Services Reference KB- Contact Name Kristoff Brylinski

### Job description

**Mobile Engineer - Agricultural Machinery – Cheshire – up to £40, DOE + Benefits!!!**

### Are you ready to drive excellence?

We are currently seeking a skilled Mobile Engineer to join our team. The ideal candidate will be responsible for performing service and maintenance tasks on various agricultural machinery. This role will involve working both within a fully equipped workshop and on-site using our service van.

### Key Responsibilities:

Conducting service and maintenance tasks on a variety of agricultural machinery, including tractors and specialized equipment.

Diagnosing and troubleshooting mechanical issues.

Performing repairs and adjustments as necessary to ensure optimal functionality and performance.

Completing service reports and maintaining accurate records of work performed.

Communicating effectively with customers and colleagues to provide high-quality service and support.

### **The Candidate:**

Polite, self-motivated individual with a strong work ethic.

Ability to work well both independently and as part of a team.

Full UK driving licence is essential.

Knowledge of tractors and agricultural machinery is preferred but not essential.

Willingness to undergo dealer training to enhance skills and knowledge.

### **The Package:**

**Salary: up to £ DOE**

**Contract: Permanent**

**Location: Cheshire**

**Working hours: Mon to Friday**

**Benefits** Opportunities for career development and advancement within a supportive team environment.

Access to dealer training programs to expand technical skills and knowledge.

Company-provided service van for on-site work.
