[Apply Now](#)

Company: Hunter Mason Consulting Ltd

Location: Twickenham Riverside

Category: construction-and-extraction

Role: Mobile Gardener.

Location: Surey/London

Salary: Up to £30K

We currently have an exciting opportunity to join our growing business as a Maintenance Gardener for a prestigious portfolio of clients. Maintain

exceptional gardens and external spaces for high end properties in West/North London, Surrey and the M4 corridor. Our extensive and varied portfolio of beautiful gardens needs an exceptional gardener who is committed to delivering a quality horticultural service to our clients.

Ideally, the successful candidate will have a recognised horticultural qualification and proven experience gardening at the highest level, both private domestic and commercial sites.

Day to day responsibilities include, but are not limited to; Horticulture

- All aspects of horticulture; specialised and more general

- All aspects of lawn care
- Chemical applications and record keeping (PA1 & PA6 preferable but not essential) – subject to training and supervision as required
- Ground clearance and seasonal work
- Sweeping and maintenance of hard surfaces / furniture within the gardens
- Tending to beds, borders and containers
- Specialised pruning and trimming
- Maintenance / cleaning of water features and day to day maintenance of irrigation systems
- Safe operation of machinery subject to training As well as exceptional horticultural ability the candidate will be able to demonstrate the following skills / qualities:
- Cooperative and enthusiastic nature
- Ability to work positively in a team
- Willing to take direction and follow instruction as required
- Able to work independently and take ownership for work
- High levels of energy and self-motivation
- Strong attention to detail
- A pro-active and can-do attitude

- Good time-management • Ability to work under pressure
- Strong work ethic
- Integrity and discretion
- A desire to develop personally and undertake training
