Company: DB Cargo UK (Ltd.)

Location: United Kingdom

Category: other-general

Job description

The role of Mobile Operative is hands on and you'll be involved in the following: Train preparation; shunting, marshalling Train dispatch Problem solving Railway yard management Ensuring the safe operations of trains You will directly contribute to our service delivery and have the opportunity to influence the service we offer to our customers. **The role will cover a varied number of customer sites, DB Cargo UK sites and infrastructure worksites as required.** You will be required to work outside in all weather conditions come rain or shine. Your standard hours of work will be 35 hours per week. Flexibility is a must as Freight never stops, so naturally this role will involve working shift patterns which includes unsociable hours **Qualifications:** If you're looking for a career change or a new challenge this role could be the perfect fit for you! Previous rail experience would be a bonus, however, this is not essential as we offer full training to ensure that you'd be ready to take on the role by yourself and help us in our journey to shift freight from the road to the rail. To be successful in the Mobile operative role you'll need... To be highly motivated and committed to your work Have a flexible approach to shift working Experience of teamwork and lone working Work to the instruction of the person in charge Be extremely safety focused You must have a full UK manual driving licence and be located within a 60 minute commute of the hub location. **We offer the following benefits package:** training into the role (5 weeks residential training) Starting salary: £28,555 per annum plus shift allowance of £3,696 per annum Company pension scheme 31 days paid holiday each year in addition to 2 public holidays Family Reward Benefit Scheme **The selection**

process for this role includes: Stage 1 – If your application is successful at the sifting stage, you will be invited to an online assessment where you will be assessed on numerical, verbal and mechanical understanding in a controlled assessment environment. Stage 2 – upon successful completion of the assessment, you will attend an interview. Stage 3 – pass a medical and drug and alcohol test. *Please note, for stage 1 (assessment) you will be monitored via a process called Proctoring which takes snap shots of you whilst you are sitting the test. You will need a desktop or laptop with a working camera and the latest versions of Firefox, Chrome, Edge, and Safari (11+). We are not able to progress your application if you do not allow the system to take a photograph of you sitting the assessment* If you are not successful for immediate appointment, you may be placed into a talent pool for future opportunities.
