Company: Switch Recruitment Services Ltd

Location: United Kingdom

Category: business-and-financial-operations

We are pleased to be recruiting on behalf a directly authorised and expanding mortgage business operating on a national basis. Our client is seeking 2 Mortgage Brokers to inherit existing / orphan client banks to service whilst also receiving ongoing marketing and lead provision support.

This is a really exciting opportunity to join an established business going through a strong period of expansion following a recent change in regulatory status to DA. You will be authorised to write business across all areas including residential, BTL, bridging, commercial, secured loans etc. Candidates will have access to market leading software / systems and also the option to take advantage of admin support if required.

Our client is happy to consider candidates from either a tied or independent background, who have held CAS status and who are CeMAP qualified (or equivalent). You will be highly motivated, professional and demonstrate a desire to put the clients needs first.
