Reading car and truck service manuals.

Troubleshooting mechanical and electrical issues.

Observing safety protocols at all times.

Rectifying faults and mechanical failures.

Conducting routine auto maintenance.

Maintaining state health and safety work standards.

Completing and presenting MOT test reports.

Advising clients on major repairs and services.

**MOT Tester Requirements:**

High school diploma or GED.

NVQ Level 2 or 3 qualification.

Previous experience working as a MOT tester.

In-depth knowledge of MOT testing standards and procedures.

Familiarity with state Health and Safety legislation.

Advanced technical knowledge of mechanical and electrical systems.

Excellent troubleshooting skills.

Ability to work independently and as part of a team.

Good communication and report writing skills.

Detail-oriented with good knowledge of health and safety in the workplace.

As an Equal Opportunities employer we welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation or age.
